The MQP Soccer registration link for the **FALL 2019 SEASON** is now active.
Please click on the [link](#) to register

If you are new to the system, you must create an account before registering new players. Those with active MQP Sports accounts should sign in and register for the upcoming season. Players will be placed on a team only after a credit card payment is processed. MQP Sports does not accept checks or cash payments.

Registration deadlines: **Players entering 5th grade through 8th grade – April 19th.**
 Players entering Kindergarten through 4th grade – May 24th.
 Players in pre-K – a separate registration email will be sent

The Soccer Committee will hold skill evaluations for players **currently in grades 4 through 7**.
Players in all other grades will be randomly assigned to teams.

Evaluation Details:

Evaluations are tentatively scheduled for Sunday (afternoon), **April 28**, and Wednesday (evening), **May 1**. Players are required to attend one evaluation, but are welcome to attend both. The exact time and location of the evaluation will be announced by email approximately one week prior. Evaluations should last for one hour. We ask that players arrive 15 minutes prior to their evaluation time. Evaluations are combined with coach assessments from previous seasons to create an overall average player score. Teams are created based on the results of these scores. **Players must register and be paid in full prior to participating in the player skill evaluations.**

The MQP Soccer Committee requests that any potential conflicts due to other activities/teams be communicated in the selections or notes during the registration process. This information will assist the committee and coaches in scheduling practices and help accommodate any special in-season requests. Thanks for your assistance.
