Select the [register](#) option for the sport you are registering for. Boys-Baseball & Girls-Softball

Complete the drop down options. First question is to determine if this player will be playing on another team this season. **This is how Open/Closed is determined.**

Uniform Size

Pre K – 4th grade – Select N/A.

5th Grade – Uniforms are purchased beginning in 5th grade. Please select the size, and under comments please put your top three (3) uniform numbers. We have built in the cost of the uniform (\$40) into the registration fee. This is why the 5th grade fee is larger than the other grades.

6- 8th - If you need a uniform, select the appropriate size and include three numbers, and we will see if we can accommodate your request. We will collect payment manually later. If no uniform needed, select **N/A**

Hit Next and you are registered.

The system does not force a family to pay as part of the registration cycle. This is so that they can register all of the kids for that sport or season and then make 1 payment when their done. This makes it much more efficient for the parents to register as well as reduces your overall fees when payments are combined into a single transaction.

Multiple kid discount: We do not have a way to automate the discount for a second (or more) kid across sports (baseball to softball). If you are registering male/female siblings do not pay using the ReliantPay option before you contact Bob O'Brien (bob78ob@swbell.net) to make sure we have the appropriate discount entered.
